

# Mecum Auction 2011

BACC has been invited by Mid Florida Corvette Club to the Mecum Auction in Kissimmee Florida for several years now. This year the turnout was even bigger and better than before. BACC members got to drive a variety of muscle, vintage and foreign cars onto the auction block from Wednesday to Sunday night, Jan. 26-30. Nearly 1500 cars went up for auction and over \$40 million in final sales. The auction was televised on Discovery HD if you would like to watch. Great cars, friendly people and just an all around fun time!

Here are some pictures of club members at work (play :)
